For your convenience we recommend staying at the Comfort Suites on Harrodsburg Road. It is an established and reputable lodging. Unfortunately we do not have a special rate agreement with them, so you will have to investigate the cost per night (Currently the rates through Fall-Winter 2008 are \$99. per night). This will be the nearest and easiest commute to and from the Methodist Home (approximately (9) miles). The phone number for the Comfort Suites is: 859-296-4446
